Subject: Funding for SR-56/I-5 Connectors

Dear Congressman Cunningham:

We are writing to you in support of your efforts to seek federal funding for the two missing connectors that are needed to complete State Route 56 (SR-56) where it intersects at Interstate 5 (I-5). This is important to meeting the transportation needs of San Diego companies and its employees.

I thank you for your continued efforts and commitment to seek funding for the SR-56 connectors so this vital transportation infrastructure project can be completed.

Sincerely,
