The Honorable Randy "Duke" Cunningham
U. S. House of Representatives
2350 Rayburn Building
Washington, D.C. 20515

Dear Congressman Cunningham:

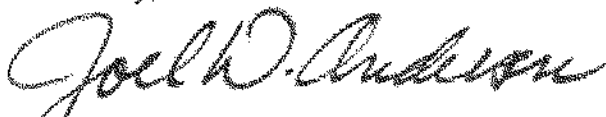

The purpose of this letter is to request the strong support of the California Trucking Association for the fall funding and completion of S.R.56 to Interstate 5 in San Diego.

The completion of this link will improve air quality and reduce transit times for people and goods by eliminating a major bottleneck.

We consider the funding and completion of the S.R.56 essential to our ability to provide safe and efficient freight movement into and from San Diego County.

Please let us know how we may participate with you in securing funding for a timely project completion.

Sincerely,

Joel D. Anderson,
Executive Vice President/CEO
