Dear Congressman Cunningham:

Your attention to the support and funding for the SR-56 and I-5 connectors is greatly appreciated.

As a local resident and business owner, I am aware of the need for two additional connectors. Over the past few years the traffic has increased on the local streets that are currently used as "connectors" and I fear the continued growth in the area will increase the potential for unsafe traffic conditions.

I believe in this project and would like to offer any assistance in gaining the needed funds to make our neighborhoods safe and convenient for all.

Sincerely,

John J. Barone
