

COUNCILMEMBER BRIAN MAIENSCHIEIN

FIFTH DISTRICT
CITY OF SAN DIEGO

April 7, 2003

Congressman Randy Cunningham
613 West Valley Parkway, Suite 320
Escondido, CA 92025

Dear Congressman Cunningham:

The communities in my district have a vital interest in timely completion of all improvements necessary to allow SR 56 to function smoothly and efficiently. In that regard, I hope you will be able to help obtain the funds necessary to complete the missing north connectors at SR 56 and I-5.

As you may know, I serve with Mayor Murphy and Councilman Peters on the City Freeway Congestion Strike Team. It is clear that the missing north connectors are a critical link in the regional freeway network. Until they are constructed, SR 56 will not function as efficiently as it could and the community will experience congestion on local streets.

I know there are many worthwhile and competing demands on limited federal funds. However, the connectors are vital to the continued economic development of what has become a major activity center in the San Diego region. I hope you agree and can help us with this most worthwhile project.

Thank you for your consideration of my request.

Sincerely,

Brian Maienschein
Councilmember
