Hon. Randy "Duke" Cunningham
2350 Rayburn Building
Washington, D.C. 20515

Dear Congressman Cunningham:

I am writing in support of federal funding for the State Route 56 East / Interstate 5 North interchange. As you are aware, this is an area of vital importance to traffic relief in North San Diego and the constituents we share.

Significant federal and state dollars must be used to build this needed infrastructure as well as other prioritized projects in the San Diego region. I will do my part on the state level to insure adequate funding.

Please do not hesitate to call on me if I can be of further service or assistance.

Sincerely,
