U.S. House of Representatives  
2350 Rayburn HOB  
Washington, D.C. 20515-0550

Dear Duke:

These folks at Pardee have informed me of the great work you've been doing in Washington D.C. to get the SR 56/I-5 Connectors authorized and built. I just wanted to express gratitude for your willingness to take on the lead chore in funding this critically needed highway link.

If there is anything I can do to help you, it would be my pleasure to do so. Just let me know. Thanks.

Sincerely,

A handwritten signature in black ink that reads "Mark Wyland".
